

# Health Law

Attorneys in the Hart Wagner health law group provide comprehensive legal services to our healthcare-provider clients, and their practices. In addition to defending medical professionals in litigation and disciplinary proceedings, we regularly assist with ongoing operations and help address business concerns.

There are few firms that know the healthcare industry like Hart Wagner.

Our clients include:

- Hospitals and health systems
- Assisted living facilities
- Physician practices and medical clinics
- Nurses, nurse midwives, nurse practitioners
- Academic medical centers
- Imaging centers
- Dental practices and clinics
- Mental health practitioners
- Physical therapists
- Ambulatory surgery centers
- Birthing centers
- Naturopathic and chiropractic offices
- Medical laboratories

We regularly assist and represent healthcare professionals with:

- Business formation
- Contract drafting and review (vendors, electronic medical records, leases)
- COVID-19 compliance
- Employment, Independent contractor, and Separation agreements
- Employment matters (advice and litigation)
- Hospital privileges
- Evaluating insurance and liability exposure
- Medical staff bylaws
- Peer-review issues and fair hearings
