Human Resources Consulting & Compliance

Our attorneys offer counseling and advice on employee relations, as well as reviewing company policies and handbooks to ensure current compliance with applicable law. Whether you're facing a lawsuit or working to ensure you never do — Hart Wagner has the experience and the expertise to see that you succeed.

Hart Wagner employment attorneys don't only defend you, they set you up for success by helping you create a workplace environment free from disputes. We offer a variety of training programs geared for HR professionals, covering topics like COVID-19 compliance, sexual harassment, documentation of performance, and compliance with federal and state law. Our seminars help businesses thrive, free from litigation and reduce litigation risk.
