

Medical Malpractice Defense

Hart Wagner attorneys have decades of experience defending health professionals. We are the premier medical malpractice firm in the northwest. Our lawyers take pride in their proven and successful representation of the medical community. We take care to support our clients with compassion and respect — in what is often a very trying moment in their career.

As one of the most recognized medical malpractice defense firms in the Pacific Northwest, Hart Wagner's trial experience is exceptional. Our attorneys represent all manner of health professionals including individual physicians and dentists, naturopaths, mental health professionals, nurses, nurse practitioners, managed care organizations, health plans, clinics, nursing homes, hospitals and health systems, and assisted living facilities.

We have experience in all aspects of medical negligence claims, including:

- Birth trauma claims
- Failure to diagnose cancer claims
- Anesthesiology claims
- COVID-19 related claims
- Claims against mental health professionals
- Personal injury claims
- Wrongful death claims

Our lawyers are recognized for their ability to successfully synthesize complex medical topics and prepare an effective trial defense for our clients. We offer the trial experience and medical knowledge required to successfully defend our valued medical professionals.
